

UTILITIES - Warren Buffet - Acquisition Request of Nevada Power Company - NOTICE of HEARING . . .

No surprise! Buffet runs the city of Omaha, called the nexus of satanism in America - where everything is backwards or mixed up because of it and they are proud of it. They call their various clubs and some newspapers "arksaben". This is the current center of pedophilia and offhutt is part of it (eg The Franklin Coverup, white house pageboy scandals, CIA Finders, etc.).

Warren Buffet - Acquisition Request of Nevada Power Company -
NOTICE of HEARING . . .

Note: We are witnessing the breaking apart of our utility companies, nationwide. OATI is another network of corporate agencies working behind the scenes to compartmentalize and break apart the current utility structure for more corporate PROFITS and CONTROL of energy . . . read the "Silent Weapons Quiet Wars" a technical manual that discloses the corporations and bankers goal to control ALL energy for global manipulation, elimination of the middle class, and enslavement . . . <http://www.StopTheCrime.net>

It is most important to keep in mind we are the enemies of the state and the banking corporate cartels are not concerned with morality, ethics or life itself . . .
